January 4, 2007

To Our Customers:

Mitsuru Yoshida
President
DAIICHI JITSUGYO VISWILL CO., LTD.

ISO 9001 / ISO 14001 Certifications Acquired

In December last year, our company received both the ISO 9001 (2000 Version) and ISO 14001 (2004 Version) certifications.

Location: DAIICHI JITSUGYO VISWILL CO., LTD.

(12-43 Honami-cho, Suita City, Osaka Prefecture)

Scope: Development, design, manufacture, sale and maintenance of appearance inspection systems for pharmaceutical products, electronic components and other products

Registration date: December 26, 2006

Quality Policy: We offer **viswill** inspection systems to support the quality of products of customers all over the world.

Environment Policy: We offer **viswill** inspection systems to contribute to global environmental conservation.

For details, please refer to our website at http://www.viswill.jp/index_e.html.

Needless to say, our efforts to improve product quality and the environment do not end with these ISO certifications.

With this as a starting point, we will intensify our efforts. We will repeat the PDCA (Plan Do Check Action) cycle to further improve our quality and environment management systems. We will continually offer our customers the high quality inspection systems, increased customer satisfaction, and concern for the environment that they expect.

Thank you in advance for your cooperation.
